Yestahiti invents... "Emotions for 2", a therapy based on pure emotions, 100% efficient to reload your couple with the passion of the first days.

Have you ever tried a Tahitian couples retreat?

Idyllic and romantic escapes for newly weds are over. Habits, routine, interests in other things eat up our couples to leave us in a dead-end. Many of us are looking for ways to save their couples.

Better than a therapy, what we need to reload our couple are intense emotions to share with the loved one. "Emotions for 2" is travel à-la-carte to live twosome unique emotions.

The most magnificent array of emotions to share!

From a dive with the whales to a traditional outrigger canoe race, or an underwater scooter ride, Yestahiti offers an unlimited array of possibilities within the setting of a unique natural and cultural wealth.

Beyond the classical vacation, Yestahiti suggests each couple to tailor their own paradise: landing on a deserted island, customized surprises, special decoration.... The difference is found in the details. Yestahiti allows the selection of ingredients, or creation of new ones, to produce one's own unique recipe.

What's it gonna be ? A miracle potion when the flame of your couple flickers ? Maybe. Or, a 100% natural therapy? Certainly !
